Task	
Step 1 (†)	
Read the following cases carefully and decide to which type of assessment (usually three or more) they can be associated. Consult only the guide for the moment (you will consult the CEFR later for step 2) :	
Cases :	
<ol style="list-style-type: none">1) A teacher needs to classify his/her students according to the results they got at a global test proposed at the end of the school year. He/she also has to decide who has reached level B1.2) A learner has to do a multiple choice test following an oral comprehension activity.3) A learner has to produce a written text on a given topic. This text is assessed according to a certain number of pre-defined criteria.4) <ol style="list-style-type: none">a. A teacher makes a first judgement of an oral interaction activity in order to generally estimate the level of the learners.b. The same teacher proceeds to a second judgement with the help of some assessment tool.5) A teacher prepares a grid which he/she gives to his/her students in order for them to become aware of their level.	
Step 2 (†)	
Highlight keywords in the previous cases which are in relation to the proposed task. Insert the case number in the correct place of the following table Check your choices by referring to the content of the CEFR mentioned.	
Step 3 († † †)	
Compare and discuss your choices with your colleagues and find some other examples.
